Thanks, Jeanne.

All, I spoke with Jeanne for clarification. I have put what I understood to be the relevant ones – close to final drafts – in the following folder.

Please take a look and let me know if this makes sense or if you think some should be added or removed.

Dear Ms. Franklin,

This will confirm Oregon Health Authority received your January 12, 2021 public records request for a copy of "ALL draft versions of the Oregon Health Authority's report, 'Wireless Technology Health Risks' that were distributed for review prior to its publication on Dec 31, 2020. Date range: Sept 2019 - Dec 2020."

Most requests are completed within fifteen (15) business days. However, please be aware that OHA is responsible for many areas of support in response to the COVID-19 pandemic. Program staff with access to records, communications staff, and records staff are being redirected to support essential tasks and may be unavailable to complete requests within statutory timelines. Requests that are expected to go beyond fifteen (15) business days will receive an estimated timeline and periodic updates on the status of the request. Thank you for your patience in this regard.
